- 710. Fish In The Garden \$240**
Artist Tyson Weiss, of Fish In The Garden, creates new, unique and creative home and garden accents. Their designs focus on the visual - cerebral sensations of 'flow' that are most clearly seen by the way schools of fish curve in response to elements throughout an underwater landscape. Using stainless steel and ceramics, they aim to deliver this fluid beauty in its organic forms to your home and garden. Add some fish to your garden!
